

WHAM Treasurer Report for 2022 Financial Year

Please see the Approved Accounts for the year ending 31st December 2022. The membership has for the most part paid subscriptions promptly which is appreciated. The use of mainly Zoom Committee meetings and Secretary RYA and other meetings continues to reduce travel and room hire costs. There is one new MA member this year (Colonsay). Supporter contributions are again slow although we have some local dedicated boatyard supporters. Our financial situation remains secure.

David Wilkie
